Presented by the

Spartanburg High School

Lynn, Indiana

DEDICATION

We shall miss the familiar faces at Spartanburg, especially those of our teaching staff. We realize the trouble we have caused them while they were trying to guide our thoughts toward better things and we appreciate the fact that they never gave up, but tried that much harder to improve our thoughts and ways. We especially appreciate the guidance Mrs. Marjorie Holaday has given us in the four years she has been our class sponsor.

And so with these thoughts in mind we dedicate this, our annual to be called the Spartanette to the teaching staff of Spartanburg High School.

FIRST ROW; Left to right: Lloyd Spencer, Coleman Harris, Max Stuckey, Jimmy Johnson, Charles Conley. SECOND ROW: Keith Wise, Doyle Allen, Butch Thornburg, Ronald Macy, Jay Keesling, Coach Phil Sprague.

The Spartanburg Basketball squad is composed of a well-balanced attack with seven men leading the team to a fourteen game winning streak including the Randolph County Championship. The Tomcats defeated Lynn for the third time this year in the second game of the tourney and went on to defeat Parker 48-42 in the final game. The Tomcat's schedule is not completed, but the cats are looking forward to the sectional and also to winning the remainder of the scheduled games.

High School Cheerleaders

LEFT TO RIGHT: Mary Jane Peach, Rosamond Holland, Jean Macy, and Sharon Jennings.

We have had a very active group of cheerleaders this season. They have cheered our team on to many victories. The Tomcat in the center of the page is our mascot.

Pep Club

The pep club consists of several members including grades seven through twelve. Rules have been made and we are trying to make our cheering block one of which to be proud.

The students who were members last year have purple and gold sweaters which may be worn with either the gold or purple in front. The new members wear white blouses.

Each class chose a representative for a cheering block board, which decides matters of importance about the pep club. A secretary was also chosen to take attendance at the games.

The Spartanburg Baseball team, behind the powerful pitching of Butch Thornburg, enjoyed a successful season under the guidance of Coach Phil Sprague.

During the 1956 campaign, the Tomcats won seven games while meeting defeat on one occasion. The team won its first seven games before being shut out by Lynn in the last scheduled game. Since Parker also had a 7-1 record, we had to go into a play-off with the Panthers for the Randolph County Baseball Championship. The Tomcats won the championship in an errorless game 6-3.
